SUBJECT: —Import licences issued to actual users for import of capital goods machinery and equipment.

\* **No. 192-ITC(PN)/67.**—Attention is invited to para 86(2) in Chapter IV of the Import Trade Control Hand Book of Rules and Procedure, 1967, issued under the Ministry of Commerce Public Notice No. 57-ITC(PN)/67, dated the 3rd July, 1967, which lays down that import licences issued to actual users for import of capital goods/machinery and equipment will be issued subject to both 'quantity' and 'value' as limiting factor, and that it will not be open to the licensee to import any item in excess of the quantity limit specified for that item in the licence, even if the excess import is within the overall value of the licence.

2. In view of the above provision, all licences issued to actual users for the import of capital goods machinery and equipment, may be deemed to have been issued subject to both 'value' and 'quantity' as limiting factor, as provided in para 86(2) of the Hand Book referred to above.

3. If any licensee requires to import any item covered by his licence for a quantity exceeding the limit indicated for that item in the licence, within the overall face value of the licence, he may approach the licensing authority concerned through the sponsoring authorities for a suitable amendment in the quantity limit already indicated in the licence. In such cases, the licensee should also give reasons in support of his request which will be considered by the licensing authority on merits.
